

Celebration of October is Down Syndrome Awareness Month-2017

'October is Down Syndrome Awareness Month', a global voice to promote awareness campaign for persons with Down syndrome throughout the month. Down Syndrome Society of Bangladesh, AMDA Bangladesh and Japan Bangladesh Friendship Hospital along with Department of Communication Disorder, University of Dhaka jointly have taken the initiative to introduce this month nationally and would like other organizations/institutions to take their own

diversified/holistic programs during this month.

Taking this opportunity an event was celebrated at RC Mazumder Hall, Lecture Theater in University of Dhaka on 26th October 2017.

On the other hand, an gorgeous event was organized at the auditorium of Chittagong Independent University (CIU) on

the occasion of celebrating October is Down Syndrome Awareness Month in Chittagong for the first time. It was a joint effort of Down Syndrome Society of Bangladesh, AMDA Bangladesh and Japan Bangladesh Friendship Hospital in collaboration with University of Dhaka and CIU to raise the single global voice for the value, acceptance and inclusion for people with Down syndrome throughout the country.

The 2nd issue of The Down Syndrome Voice published on the occasion of the celebration of 'October is Down Syndrome Awareness Month' to raise massive awareness nationwide!!
